

# “LOVE AND LIGHT MAKE NO EXCEPTIONS”

Saturday, January 27<sup>th</sup> 2018 from 10:00 AM to 4:00 PM  
at the beautiful Garden of Life Spiritual Center,  
9525 Eddie and Park Road, St. Louis, MO 63126

ACIM St. Louis is pleased to host a 1-day Workshop  
with *Maureen Muldoon!*

Maureen, having evolved from her illustrious career as a Hollywood actress, has been described as a gifted and authentic storyteller, author, writing coach, and published playwright who empowers others to utilize the miraculous gift of their “story” for healing and transformation. She is an expert teacher, minister, and thought-leader, but her favorite title is Spiritual Vixen. She can’t help but to keep it real, relaxed, and a bit raucous. This is why thousands of people follow her and happily find their way to true peace and personal awakening. As we embody our true nature of *love without exceptions* all else will fall away. In this state of grace, we will see the beauty of the unbendable laws of God’s love. We are each here to illuminate this magnificence. So how do we drop the special altars and crucifixions? Join Maureen for a talk on surrendering specialness in exchange for peace. It’s time that we return to the true nature of *loving without exception*.

**Cost:** \$45 - Lunch is included with registration.
